

SILVERWOOD SCHOOL
2011 - 2012 Parent Volunteer Interests and Talents Questionnaire

The Silverwood School and community thrive because parents volunteer their time and treasure to ensure the school's success. Each parent is required to give 12 hours of service to the Silverwood each year. Your participation as a Silverwood Volunteer is essential and makes a tremendous difference in the lives of our students.

In order to match volunteers to volunteer opportunities congruent with their interests and talents, we ask that EACH parent or guardian complete this questionnaire (one per volunteer parent) and return it to the office. Please record your volunteer hours in the binder located on the front counter in the office. Your help is greatly appreciated!

Parent Name: _____

Date: _____

My hobbies Include: _____

Occupation: _____
