Alternate payment schedules may be possible. Please contact the Head of School.

ADDITIONAL FEES:

Application fee	\$75.00 non-refundable per student, <u>due with new student application.</u>
Facility/Technology Fee	\$350 one-time, per-student payment for students new to Silverwood (due no later than April 5)

Additional Fees:

Silverwood's goal is for most field trips and activities to be covered by tuition. To this end, \$150 per student, per year in attendance at Silverwood, is applied toward the cost of our culminating sixth grade trip. This credit is non-refundable in the event of early withdrawal. Depending on the cost of the trip, the parent contribution will vary from year to year.

A few special field trips and school activities which are planned from time to time for grades one through six are billed to families. The Olympic Park Institute trip for grades five and six and the Islandwood trip for grades three and four involve an additional charge to those families. Please call the school if you have any questions about fees.

A \$25 fee will be assessed for NSF returned checks.

FINANCIAL AID:

Silverwood School sets aside funds to assist families in meeting tuition obligations. We rely on the FAST (Financial Aid for School Tuition) to impartially determine a family's financial needs. Interested families should go to the school website and click on the FAST logo under the financial aid section and follow the instructions. (Decisions concerning admissions are not related to application for, or determination of, financial need.)

Delinquent Accounts:

If payment is not received when due, Silverwood School may declare the entire unpaid tuition due and demand that amount be paid immediately. A \$25.00 late fee may be charged for all tuition payments received after the 10th of each month. A persistently delinquent account may result in dismissal of the student and/or legal action. No student will be considered for re-enrollment unless all previous charges on his or her account have been paid in full. Report cards/transcripts will be held until all outstanding fees and tuition payments are current.

Tuition and fee schedule approved by the Silverwood School Board of Trustees on January 18, 2011, for the 2011-2012 school year.

At Silverwood School, we challenge our students to become confident, compassionate citizens and skilled, life-long learners – literate, motivated, and intellectually adventurous.
